All exams are now open book for those taking the Course for credit. A score of 70% or above is necessary to pass Course III. The National Garden Club will present students and others not taking the test with a "Certificate of Attendance."

**INSTRUCTORS**

Alicia Bosela is the owner of Ironweed Native Plant Nursery. She has worked with the Forest Service and taught college science courses at IU-P-Fort Wayne, Indiana Tech and Cambellsville. Bosela attended Notre Dame and then got a MS from Michigan State University in Plant Ecology and Taxonomy.

Dr. Winston Dunwell is an Extension Specialist for Nursery Crops. At the University of Kentucky Research and Education Center in Princeton, KY, he directs the UKREC Botanic Garden and the UKREC Nursery Crops Development Center, focusing on nursery crop production and development of ornamental plants.

Annie Holt is Director of the Nature Education Center at Lost River Cave. Holt studied Geology at Murray State University and was a Park Ranger at Mammoth Cave before working as the Assistant Director/Hydrologist/Geophysical Investigator at the Crawford Hydrology Lab.

Peggy McKillip is the Accessions Horticulturist and GIS Coordinator at the Baker Arboretum in Bowling Green, Kentucky. She attended the University of Georgia and has published articles about conifers.

Esli Pelly attended WKU and has been the owner of The Garden Patch in Smiths Grove, KY for twenty years. Pelly earlier worked at Jackson's Orchard and over the years has done many presentations for garden clubs, master gardeners, and community education classes.

Jared Weaver is the Bowling Green City Arborist and Forester. He studied Horticulture at Western Kentucky University and worked at the Redbud Ridge Gardens. Weaver is an ISA Certified Arborist, Municipal Specialist and is TRAQ qualified.
